To the American Women's Society of Certified Public Accountants

I am writing to express my sincere gratitude to AWSCPA and Wiley CPAExcel for selecting me as a recipient of the 2015 National Scholarship. I am humbled, honored and grateful to have been chosen for this award knowing that there were many deserving applicants.

My future plans include pursuing a CPA license and working in the tax area of public accounting. I will do everything that I can to achieve my dream of becoming a CPA and will make my family, my kids and AWSCPA very proud.

Thank you for supporting and encouraging women, who aspire to become Certified Public Accountants and helping us realize our potential. Your kindness and generosity are greatly appreciated. I look forward to the time when I am able to give back to AWSCPA.

Thank you, again, from the bottom of my heart.

Sincerely yours,

Marina Zhiltsov
